UPON PAYMENT IN PURSUANT WITH CONTRACT #

The HYDRO-SHEEN Tile Roof Glaze system is hereby warranted for a period of TWELVE years as outlined below. The HYDRO-SHEEN product is warranted from date of completion to be manufactured without defect. (a) The 4 coat material system is further warranted for a period of FIVE years against cracking, peeling, chalking, effloresce, yellowing and excessive fading. This warranty does not cover workmanship issues. Specifically, the tiles must be totally clean of all foreign material before application and the material must be applied according to published spread rates of not less than 300 square feet per gallon of material for color coats and 400 square feet for Hydro-Bond and clear Hydro-Sheen coats..

2. Areas necessary for repair within this time period due to a material defect in the HYDRO-SHEEN Tile Roof Glaze system will be corrected according to the original specifications. Alberson's Tile Roof will supply all material and labor at no cost to the owner should it be determined by Alberson's Tile Roof Glaze that a product defect does indeed exist.

3. This warranty does not cover failure caused by, but not limited to, fire, hail, vandalism, construction defects, abuse, negligence, settling or movement of the building, or any causes other than a defect in material..

4. The HYDRO-SHEEN Tile Roof Glaze is an exclusive product, so knowledge of how to properly clean the HYDRO-SHEEN Tile Roof Glaze is NOT widely known. ANY damage to the HYDRO-SHEEN Tile Roof Glaze which might be caused by improper pressure cleaning (i.e., improper chemical proportions or incorrect water pressure), will not be covered under warranty.

5. NOTICE: No expressed warranty is applicable to this product other than those stated in this agreement. Any statements made by Alberson's Tile Roof Glaze or its employee's and/or agents are only their opinions or based upon previous experiences, and are not meant to create any warranty.

6. This warranty is not limited to the original owner for whom this company has performed this work. Proof of purchase in the form of this original certificate are conditions necessary to affect this warranty. The tile roof (s) owner is required to deliver written notice to Alberson's Tile Roof Glaze Within **10 days** of discovering a possible defect.

7. Repair or replacement of the HYDRO-SHEEN Tile Roof Glaze as provided under this warranty is the exclusive remedy of the customer. Alberson's will not be responsible for anything **other than** Damage to the HYDRO-SHEEN Tile Roof Glaze.

PLEASE NOTE: The HYDRO-SHEEN Tile Roof Glaze is designed to assist in repelling water and to Beautify the tile roof. **IN NO WAY** does this company imply that re-glazing a tile roof will stop Any leaks that might in your tile roof.
